

You don't see it, but grandma is being lifted from the strecher on the ground, up into the air; people start bending over to give her hugs, and wish her good luck as she will be transfered to the hospital.

A). You continue playing your GAMEBOY, as it seems a bit crowded to get up and go over there yet, you choose to wait for some of the people to back off to see whats going on.

Or

B). You wait your turn to give your respects, as she will be transfered to the hospital as you can see.
